Client-Work Claude Prompt Pack

10 original prompts for common client jobs. Adapt each one to the client's niche before you run it.

The 10 prompts

1. Write a one-page business profile from these notes.
2. Turn this service list into a clear offer sheet.
3. Draft three audience paragraphs for this client.
4. Rewrite this page in the client's voice, no filler.
5. Build a 30-day content plan for this niche.
6. Write a five-email welcome sequence for new leads.
7. Turn this call transcript into a project brief.
8. Draft a sales page outline for this offer.
9. Create a FAQ from these customer questions.
10. Summarize this report into a client update email.

Tip: paste the client's facts after the prompt, then check every number and claim before delivery.
