10 No-Prep Halloween Party Games for Kids

Ten games using only printed sheets and household items: players, time and setup for each

How to Use This Pack

Ten games that need nothing but printed sheets and household items. Each lists players, time and setup so you can run them back-to-back at a party.

1. Mummy Wrap Relay

Players: 6+ (teams of 3) | Time: 10 min | Setup: 2 toilet-paper rolls per team. One player is the mummy; teammates race to wrap them head to toe. Fastest full wrap wins. Unwrap and race back for round two.

2. Pumpkin Bingo

Players: 2-12 | Time: 15 min | Setup: printed bingo cards + candy corn markers. Call out Halloween pictures instead of numbers. Winners shout 'Pumpkin!' Small prizes for first bingo and blackout.

3. Ghost Scavenger Hunt

Players: 3+ | Time: 15-20 min | Setup: hide 10 paper ghosts around the room or yard. Give each child a checklist. Younger kids hunt by color; older kids follow rhyming clues written on the back.

4. Pin the Hat on the Witch

Players: 4+ | Time: 10 min | Setup: printed witch poster (no hat) + paper hats with tape. Blindfold, spin gently twice, and let them stick the hat. Closest placement wins.

5. Monster Freeze Dance

Players: 4+ | Time: 10 min | Setup: music player. Play spooky music; when it stops, everyone freezes as their scariest monster. Last to freeze is out each round.

6. Candy Corn Relay

Players: 6+ (teams) | Time: 10 min | Setup: spoons + bowls of candy corn (or pom-poms). Carry candy corn on a spoon across the room into the team bowl. Drop it? Restart that trip.

7. Witch Hat Ring Toss

Players: 3+ | Time: 10 min | Setup: 3 witch hats or cones + rings cut from paper plates. Toss rings from a taped line. 1 point per ring; the closest hat scores double.

8. Spooky Story Chain

Players: 4+ | Time: 15 min | Setup: none. Sit in a circle; each player adds one sentence to a Halloween story. Anyone hesitating more than 5 seconds makes a ghost sound and play passes on.

9. Pumpkin Bowling

Players: 3+ | Time: 10 min | Setup: 6 empty plastic bottles (ghosts) + small pumpkin or ball. Stack bottles in a pyramid and roll to knock them down. Two rolls per turn; highest total wins.

10. Costume Parade Vote

Players: 5+ | Time: 15 min | Setup: printed voting slips. Everyone parades in costume; vote in categories: spookiest, funniest, most creative. Announce winners with printed paper medals.
