Kids Workbook Quality Checklist

Check every page before you list a workbook for sale.

Before you publish

Every activity has clear instructions a child can follow alone.
Answer keys match the questions. Check them twice.
Fonts are large and readable. No tiny text on activity pages.
Images are sharp at print size. No blurry or stretched art.

Age fit

Ages 4-6: big shapes, simple words, tracing and coloring.
Ages 7-9: short sentences, counting, simple puzzles.
Ages 10-12: longer tasks, word problems, and challenges.

Listing check

Title states age range + topic + page count.
Mockups show real inside pages, not just the cover.
Description states format, size, and print quality honestly.
