A simple 5-day launch run sheet

Day	Focus
Day 1	Publish the review. Send the email review to your list
Day 2	Post the social thread. Pin the bonus page link
Day 3	Share one bonus win or screenshot. Answer every question
Day 4	Reminder email: deadline plus the strongest bonus
Day 5	Final call before the deadline. Log clicks, sales and lessons

Rule of thumb: one template per brand, used every launch. Recognition beats variety. © Pickzox — free bonus, not for resale.
