Puzzle Book Gift Launch Worksheet

Plan the personal book before you open the app

Collect the Raw Material

- List 20 names: the couple, family, pets, best friends.
- List 10 places: first meeting, first trip, favorite cafe, hometowns.
- List 8 moments: funniest mishap, proudest day, inside jokes.
- Pick the secret message the Final Code will reveal.

Build Order

- Enter names and places first — they feed word searches and crosswords.
- Turn moments into trivia questions with one clear answer each.
- Choose the theme that matches the person, not the occasion.
- Generate, then solve 3 pages yourself before printing.
- Print one copy, check margins, then print the gift copy.

The Handover

- Write the date and occasion on the certificate.
- Attach the gift tag; place a bookmark at the reveal page.
- Tell the solver the last page hides a code — anticipation doubles the fun.
