Puzzle Book Theme Picker

Score each theme 1-5 before you build:

[ ] Solver demand - do buyers search this theme?

[ ] Grid fit - does the theme suit Minesweeper grids?

[ ] Your skill - can you design it well?

[ ] Series fit - can it grow into more books?

[ ] Cover appeal - does it look good as a cover?

Build the highest-scoring theme first.

Made as a companion to the Minesweeper Puzzle Book Guide on Pickzox.
