Three-Story Saga Planner

Map one soul across three lives. This planner turns the saga feature of Reincarnation Story Creator into a real plan — characters, timelines, and the thread that ties all three stories together.

The soul's journey

Write one line for each life. The lesson of one life becomes the wound of the next.

Part	Your plan
Life 1 — Era / identity	
Life 1 — Key event	
Life 1 — Lesson carried forward	
Life 2 — Era / identity	
Life 2 — Key event	
Life 2 — Lesson carried forward	
Life 3 — Era / identity	
Life 3 — Key event	
Life 3 — Resolution	

The connecting thread

What links the three lives? A person, an object, a promise, a place, or a debt. Write it here, in one sentence:

_____

_____

Timeline

Life 1 year/era: _____ Life 2 year/era: _____ Life 3 year/era: _____

Pre-publish checklist

- ■ Each life has its own hero, setting, and conflict.
- ■ The connecting thread appears in all three stories.
- ■ The past-life memory changes a decision in the present life.
- ■ Each story ends with a clear hook into the next life.
- ■ Names, dates, and places are consistent across all three stories.
- ■ The final story resolves the debt or promise from Life 1.
